Stewards Notes – 8/22/18

Work safely – Work safely every day and every moment. Go home in the same condition that you arrived. If you find yourself on a job that feels unsafe or if you are injured, contact your steward or committeeman. You have the right to keep you and your coworkers safe and healthy.

5th Annual Hooks & Hogs – The fifth annual fishing tournament and benefit motorcycle ride is just around the corner - Saturday, September 15. Get together a bunch of coworkers and enjoy a great day on the blacktop or on the water. Proceeds benefit the Yellow Ribbon Campaign.

20th Annual IAM 912 GDA Golf Tournament – All 34 team spots have been filled, and good news has come from Brother Scott Huentelman – he has secured some hole sponsors! This means a bigger donation to the Guide Dogs this year! The event is Friday, October 5.

October Meeting Date – At the September meeting, we will be voting on changing the date of the October meeting – from October 9 to October 16. The meeting date will be posted as we get closer.

Split-The-Pot – Chris Stephens won this week's Split-The-Pot (again!), and he donated his winnings to the Guide Dogs of America.
