Stewards Notes – 7/11/19

Local Contract Negotiations – Our LL912 Bargaining Committee has continued meeting with the company for local issues this week.

Contract Vote Called Off – Because the IUE-CWA did not ratify their contract, our IAM LL 912 vote was called off for today. The IUE holds the master contract with the company. Once they ratify their national contract, we proceed with completing local issues and set dates and times on meetings and voting.

Keep Involved – With the changes in the past few weeks, things can get confusing. As soon as we know more, we'll get it out to our membership. Please keep reading postings, visiting our Facebook and website for updates.

Time Vouchering – Be sure to voucher your time properly. If you are a steward, remember to voucher your steward's time appropriately.

Split-The-Pot – Brother Mark Koch has scored a two-peat. He donated it to the Yellow Ribbon Campaign.
