Stewards Notes – 12/18/19

Crosby Shackle Recall – If you find a Crosby 7/8" 6.5t shackle with "PIC 5VJ" on the bow, please inform your steward and/or supervisor. Handouts are being distributed around the plant to help identification of the specific model that is being recalled.

Data breach for employees that get physical checks – If you don't use direct deposit and receive a physical check, you may be receiving an email regarding a data breach from Datamatics in your GE email. Don't just dismiss it - please read it for further details.

Safety: check your extension cords – If you use extension cords here at GE, make sure that they are rated for their use. For example, you need a 14 gage or better cable for charging carts. If you are using a substandard cord, please see your supervisor to get it replaced.

2019 Holidays For Heroes Fundraiser Update – Brother Tom Davis, the winner of this year's holiday raffle, donated an extra \$500 to Holidays For Heroes. If you see Brother Davis, be sure to thank him.

New Committeeman – Chris Ackerson – Due to Brother Matt Finley's retirement, Brother Chris Ackerson has been named to replace him on the Bargaining Committee.

VPP Representative Needed – If you are interested in making GE Evendale a safer place to work, we are looking for you. Please contact your steward or committeeman if you would like to apply for this position.
