## Stewards Notes – 1/8/2020

**Contract Books** – The new contract books are being proofread and should be printed shortly. They will be distributed when we get them.

**IAM 912 Beanies and Tumblers Back in Stock** – Beanies are now available in blue and black, along with drinking tumblers. Contact one of the trustees to get yours. We have a selection of IAM merchandise available at monthly meetings, too!

**Safety: Grit Blasters and MOC Program** – If you have a grit blaster used in your work area, it will soon be tested for media and filtration systems and any possible heavy metals therein. In areas that are being renovated, an MOC (Management of Change) is now being used – in addition to hazardous waste and industrial hygiene studies. You can see results of these tests. Safety committee members can help get these results interpreted. Be sure to use your head – it's everyone's safety!

**Upcoming Computer Classes** – Sign up for the first computer classes of 2020. Classes are being offered in iPad and Windows Laptop use. You can sign up on Monday, January 13 and Tuesday, January 14 from 12:30 until 4:00 PM. Take advantage of your IDP benefit!

**New ETR System for 2020** – All employee ETRs are now gone, and a new on-line system is scheduled to begin this week. HR will be going out on the floor to teach employees how to use the new system shortly. NO ETRs WILL BE COMPLETED UNTIL EVERYONE HAS HAD A CHANCE TO UPDATE THEIR REQUESTS.

**VPP Representative Needed** – If you are interested in making GE Evendale a safer place to work, we are looking for you. Please contact your steward or committeeman if you would like to apply for this position.

**Split-The-Pot** – Today's winner was President Goodhart, who donated to the Yellow Ribbon Campaign.
