Stewards Notes – 4/18/18

Help for Heroes – Glen Carpenter has only a few tickets left for the AR-15 raffle. Tickets are \$10 each or 3/\$25. Please turn in any tickets to your committeemen or stewards. The drawing will be held at the May meeting.

Hot Work Permit – Brothers Court Lillard and Greg Hester wanted to remind everyone to call the fire department for hot work permits. One in twenty industrial fires are due to hot work. We want everyone to be safe and go home without injury.

Upcoming Plantwide Move – Requests must be submitted to Human Resources from April 23 until May 6 for the upcoming plantwide moves. The actual changes will take place on May 21, 2018.

Grievances – If you must file a grievance, be sure to get fact sheets immediately with signatures from both supervisors and stewards. Proper documentation helps our bargaining committee in the grievance process.

Retiree Meeting Today – We are holding the first IAM LL 912 Retiree Meeting of 2018 today from 11 AM until 1 PM.

Collections for Bernie Vaske – These collections need to be turned in to Brother Matt Finley by Friday, so please donate today if you want to contribute.

Split-The-Pot – Impossibly, Greg Hester won again this week, and donated the money to Hope for Heroes.
