Stewards Notes – 2/27/19

Every Friday is RED SHIRT FRIDAY! – To help show your unity with your fellow workers, please wear red union shirts on Friday. We will be doing this every Friday until contract negotiations are completed. It's an easy way to show the company that we are unified and ready!

Shepard Lane Bridge closed – The bridge is officially closed. It is scheduled to be reopened in 500 days. Maybe commute times will be better a few years from now.

Wondering how contract talks are going? - Sign up for iMail to get up-to-date CBC information – Go to www.goiam.org/subscription-services/ to join. We will also be posting information on our Facebook page.

March Meeting – Our next meeting is Tuesday, March 19. Meeting times will be as normal – 1:00 PM and 3:30 PM, but we will also be holding our quarterly IAM 912 Retiree Meeting at 2:00 PM. Refreshments and lunch will be provided to retirees in attendance.

Split-The-Pot – Today's winner was Brother David Leis, who donated his money to the Aurora Strong GoFundMe collection.
