

INJURY AT WORK

REPORT INJURY TO LOCAL MANAGEMENT

Is it a **MINOR** or **SERIOUS** injury?

MINOR

Go to the GE Wellness Center & report the injury before the end of your shift

If the Wellness Center is closed, call the Fire House to file a report – 243-3303

SERIOUS

Report directly to the GE Wellness Center
OR
DIAL 243-2323
for emergency medical treatment

Reporting to the GE Wellness Center **DOES NOT MEAN** you must be treated by company doctors. You can request medical treatment of your choice.

Reporting an injury to the GE Wellness Center **DOES NOT MEAN** that you have filed a workers compensation claim. A Form FROI-1 is required to file a claim.

After your initial treatment, report injury to your IAM Workers Compensation Representative and fill out the appropriate forms to file a claim with Libby Barlow - Nurse Case Manager (513-786-5118). Next, file an Accident Report with your IAM Safety Representative.
