Contract Negotiations Update

Message from the IAM Local 912 negotiating committee:

The Committee continues to negotiate over non-economic articles with the Company. Overall, the negotiations have been productive and respectful.

We have reached a couple of tentative agreements on administrative changes.

Starting to review and discuss the Letters of Intent in the back of the current agreement.

We expect to start economic proposals next week:

- Paid Time Off
- Healthcare costs: active and retiree
- Wages
- COLA
- Retirement
- Various other economic issues

In Solidarity,
Local 912 Negotiating Committee
