### Contract Negotiations Update

#### Message from the IAM Local 912 negotiating committee:

We are in our final week of negotiations!

This week's economic agenda includes:

- Healthcare Costs
- Paid Time off
- Wages
- Retirement benefits
- Other economic issues

We have just a couple of non-economic topics we are waiting for the Company to respond.

As these important issues are being bargained at the table, please remember as with **any** negotiations:

- Take all personal items home
- Refill all prescriptions

Please attend this week's Union meeting on Tuesday.

Please participate in the Solidarity Walks on Wednesday – wear your **RED SHIRT!**

We will continue to update you as much as possible. Please know, in this week of negotiations things are changing rapidly as all economics are tied into one package

In Solidarity,

Local 912 Negotiating Committee
