### Contract Negotiations Update

#### Message from the IAM Local 912 negotiating committee:

We are in the final stretch of negotiations. Last night was another long, but productive evening working towards our membership's goals. We are focusing much of our attention on paid time off, healthcare costs, and of course, wages.

The next two days will reveal as to whether the company has truly listened to our priorities. We are dedicated to long days and longer nights, to achieve a fair and equitable contract that meets the membership's expectations prior to the contract expiration, midnight Sunday August 17<sup>th</sup>.

Your continued support and solidarity are needed and appreciated.

In Solidarity,  
Local 912 Negotiating Committee
